Texas Electric Power Conference Advisory Board

The TEPC Advisory Board & Planning Committee is made up of volunteers who are committed to providing a quality conference for operating personnel in the electric utility industry. The Board is continually seeking additional members. If you are interested, please see one of the current Board Members listed below. A Board Member should have the approval of his utility to participate in three to four planning meetings each year in addition to conference attendance.

2018 TEPC Advisory Board & Planning Committee

David Baker, Chairman	City of Hondo
Todd Craven, Vice Chairman	Guadalupe Valley Electric Coop
Jon Blalock, Treasurer	City of College Station
Jason Lange, Secretary	City of Brenham
John Green	Retired - New Braunfels Utilities
Bobby Christmas	Guadalupe Valley Electric Coop
Eric Fassett	CPS Energy
Tony Michalsky	Retired - City of College Station
Kyle Dicke	M&S Engineering
Don Bolenbarr	Retired - City of Brenham

Texas Electric Power Conference Advisory Board & Planning Committee would like to thank everyone for making this a very successful conference and vendor show.
